This concerns an alleged threat to assassinate Senator Edward Muskie and Governor George Wallace. At 3 AM, on 2/29/72, an unknown Negro male telephonically contacted Associated Press in New York City and advised he had attended a meeting of a black militant underground organization in Harlem on the evening of 2/28/72, whose purpose was to discuss the assassination of Senator Muskie and Governor Wallace between now and re-election day. Caller advised that [redacted] of Chicago is [redacted]

[redacted] and who may use new type bomb that was used recently at Whitfield, Massachusetts. Caller further advised he is an admirer of Senator Muskie.

At 3:25 AM, United Press International called New York Office and advised they had received a call from Negro male with essentially the same information. However, caller identified group involved as Black Underground Military For Justice.

Postal guide has no listing for Whitfield, Massachusetts. Bureau indices negative for Black Underground For Justice. A review of Bureau indices reflects numerous references for one [redacted] including threats against the President. These files are being reviewed.

Senator Muskie's and Governor Wallace's Offices notified. U. S. Secret Service (USSS) New York advised. USSS Headquarters advised by teletype 2/29/72. FBI New York following in order to determine if violation within FBI jurisdiction exists. Local law enforcement authorities advised.

Dear Mr. Hoover: *MUSKIE, EDWARD J.*

Attached is a copy of a hate letter which Senator Brooke received, postmarked Philadelphia. Our staff members mentioned that we may have received a similar letter sometime ago displaying the same handwriting.

There appears to be a signature in the lower right-hand corner "A. F. Cabey." I doubt if there is anything that can be done; however, I thought it best to bring this matter to your attention.

With kindest regards,

Sincerely yours,

Reference WFO airtel to the Bureau and Philadelphia dated 2/15/72 and Philadelphia nitel to the Bureau and WFO dated 2/24/72.

Enclosed for the Bureau are an original and three copies of an LHM for such dissemination as is considered essential in the matter as captioned.

The attention of the Bureau is invited to correspondence directed by the Bureau of 2/18/72 to [redacted] Administrative Assistant to the Honorable EDWARD W. BROOKE, United States Senate, Washington, D. C. 20510. A copy of this correspondence was furnished to Philadelphia with appropriate enclosures and instructions to institute immediate investigation.

b6
b7c

Inquiries have commenced with respect to the receipt by Senator BROOKE of correspondence for one A. F. CAREY (?) under caption, "UNSUB, aka A. F. Caby, A. F. Carey, A. F. Cavey, Extortion".

Inquiries by this office leave little doubt that the writer of the correspondence to Senator BROOKE is identical to the writer of correspondence to Senator MUSKIE. In addition, there appears little doubt that correspondence directed to Philadelphia Police Commissioner JOSEPH F. O'NEILL by one G. C. CARLTON is identical to the writer of correspondence to both Senator MUSKIE and Senator BROOKE.

It would likewise appear that G.C. CARLTON, G.C. COULTON, A.F. CAREY, etc., are identical to one JESSE M. SINCLAIR of Wayne, Pa.

Investigation to prove or disprove this supposed fact is being conducted by Philadelphia with respect to the correspondence received by Senator BROOKE in Philadelphia File 9-3507.

This information is incorporated in the LHM enclosed inasmuch as the identity of COULTON as SINCLAIR has not been established without question and in light of a declination by AUSA [REDACTED], as reported.

A letter of confirmation to AUSA [REDACTED] is being forwarded to him at this writing together with a copy of the enclosed LHM.

The Washington Field Office, Federal Bureau of Investigation, Washington, D. Examination of this letter revealed it to be both abusive and obscene. The writer cast aspersions on the wife of Senator MUSKIE, as well as the mother and father of the Senator. It likewise read, in part, as follows:

The letter was mailed in an envelope bearing a postmark of Bryn Mawr, Pa. 19010, and dated February 4, 1972.

On February 18, 1972, an examination of the telephone directory for Delaware County, Pa., revealed a listing for one person having the surname [REDACTED] this person being [REDACTED] Bryn Mawr, Pa.

Subsequent contact was made with [REDACTED] on February 23, 1972 at the above address. She informed she has no knowledge of a G. C. It would appear from visual observation of hand-
printing and phrases used by the writer of the letter to
Senator KENNEDY that he is probably identical to the writer
of correspondence to Senators MUSKIE and BROOKE. Rerep
states writer of letters to Senators MUSKIE and BROOKE to
be one and the same person.

Correspondence received by Senator MUSKIE investigated
by Philadelphia under Phfile 9-3503. USA at Philadelphia has
declined consideration of prosecution. LHM is in dictation at

UNKNOWN SUBJECT; ALSO KNOWN

EDWARD KENNEDY - VICTIM

The Washington Field Office, FBI, Washington, D.C., has provided the Philadelphia Office, FBI, Philadelphia, Pa., with copies of a letter dated February 4, 1972 from one "F. L. TOGOE" directed to Senator EDWARD KENNEDY, U. S. Senate Office Building, Washington, D.C.

Examination of this letter revealed it to be both abusive and obscene. The writer cast aspersions on the wife of Senator EDWARD KENNEDY, as well as the mother and father of the senator. It read in part as follows:

"The thing to do is to annihilate, wipe out the Irish harps in Ireland, and fill KENNEDY full of lead." Also, "kill him and let the vultures eat him up."

Earlier investigation was conducted by the FBI Philadelphia, with respect to letters similar in tone and content, sent to Senator EDWARD W. BROOKE and EDMUND S. MUSKIE. The FBI Laboratory has reported the writer of letters to Senator BROOKE and MUSKIE is one and the same person and is likewise identical to the writer of the letter of February 4, 1972 to Senator KENNEDY.

The following page contains a xeroxed copy of the FBI Laboratory Report under date of March 16, 1972:

Result of examination:

It was concluded that the hand printing on Q9, Q10, and Q11 was prepared by the writer of the hand printing on the questioned documents previously submitted in connection with this case and described in the Laboratory as specimens Q1 through Q8.

A definite conclusion could not be reached as to whether the script handwriting on Q9 through Q13 was prepared by the writer of the hand printing on Q1 through Q8 because the script handwriting is not sufficiently comparable with the hand printing. However, some characteristics were noted in the writings to indicate that one person probably prepared all the questioned writings.

The script handwriting on Q9 through Q13 was searched in the appropriate sections of the Anonymous Letter File but no identification was made of the script handwriting on instant documents with the script handwriting on photographs from other cases, contained in the Anonymous Letter File.

Specimens Q9 through Q13 are returned herewith. Photographs are retained.

Reference is made to FBI Lab Report dated
2/29/72, Lab #D-720222123AV.

As will be noted, re Lab Report concluded that
the hand printing on earlier correspondence from one
"G. C. COULTON" to Senator EDMUND S. MUSKIE was prepared
by the writer of correspondence from one "A. F. CAREY" to
Senator BROOKE.

As earlier reported by Philadelphia in the MUSKIE
matter there appears to be every reason to believe the author
of the MUSKIE and BROOKE letters is one JESSIE M. SINCLAIR
of Wayne, Pa. SINCLAIR is the reported renter of Post Office
Box 253, Wayne, Pa.

In this connection Philadelphia Police Commissioner
JOSEPH O'NEILL is the recipient of two letters from one
"G.C. CARLTON" who furnished a return address of Box 253,
Wayne, Pa. 19087. It is noted that the MUSKIE, BROOKE and
O'NEILL letters all have certain points of exact comparison.
For instance, the use of the partial phrase, "...fill him
full of lead (bullets)." Also, the use of the names HITLER,
STALIN and "MUSSOLINI," and others.

Enclosed for the Lab are two letters of two
pages each and dated 2/3/72 and 2/5/72 respectively, which

FBI Laboratory reported writer of letter identical to person writing similar letters to U.S. Senators EDMUND S. MUSKIE and EDWARD KENNEDY. Information developed at Philadelphia, Pa., indicating writer possibly identical to one JESSIE M. SINCLAIR of Wayne, Pa., who has directed letters to Philadelphia Police Commissioner. AUSA at Philadelphia advised letter to Senator BROOKE contains threat comprising prosecutable offense under Federal Extortion Statute. Background information developed concerning suspect SINCLAIR.

- P -

DETAILS:

Investigation in this matter was predicated upon receipt of instructions from FBI Headquarters at Washington, D.C., to initiate investigation of a writer of a letter to U.S. Senator EDWARD W. BROOKE under date of February 2, 1972, and mailed at Philadelphia, Pa., on February 5, 1972.

A copy of this letter was provided and was noted to read as follows:

"Feb. 2, 1972

"Mr. BROOKE, Rep, Mass.

"Dear Nigger - The place for you Nigger is Africa. You are an evil Nigger. Another place for you is Southern Ireland. You and the Irish harps are garbage, human garbage. Your mother was a whore and (obscene) (obscene). Your father was a pimp and a (obscene) (obscene). We shall fill you full of lead before too long Nigger. You, KENNEDY, and [redacted] are like STALIN, HITLER, and MUSOLINI. We know that you are a bastard, son-of-a bitch and (obscene) (obscene). We tried civil war to wipe out the Niggers and Irish Catholics. Hang you from a tree as (illegible), like MUSOLINI. Shove this message up you ass Nigger, Nigger, Nigger, Jigaboo. You are lower than a jackel and hyena.

b6
b7c

"A.F. CAREY"

The above message was written on a single sheet of paper and was accompanied by a second sheet of paper containing the terse message: "Shove this up your ass."

The envelope containing those pages bearing the handprinted messages noted were enclosed in an envelope postmarked at Philadelphia, Pa., and dated February 5, 1972. The face of the envelope was addressed as follows:

"Mr. BROOKE
c/o U.S. Senate - U.S. Senate Office Building
Washington, D.C.
Rep. - Mass."

The reverse side of the envelope bore the following:

"Mr. BROOKE, Rep. - Mass.
c/o U.S. Senate
Washington, D."

By communication dated February 23, 1972, the Washington Field Office informed that [redacted] Administrative Assistant to U.S. Senator EDWARD W. BROOKE, had informed that one of his staff assistants, [redacted] is the person who actually received the letter addressed to Senator BROOKE and which was forwarded to the FBI. He said that [redacted] had told him that he vaguely recalled opening another letter believed written by the same person to Senator BROOKE.

b6
b7C

[redacted] Staff Assistant, Office of Senator EDWARD W. BROOKE, stated he is the person who actually opened the letter from "A.F. CAREY." He reported having recalled at the time having received a similar letter within the past six months which he thought was very likely written by the same person due to handwriting similarities. He noted the other letter was destroyed and no copy of it was retained.

b6
b7C

Of interest to this investigation is the fact that Senator EDMUND S. MUSKIE, U.S. Senate, received a letter dated February 4, 1972, from one "G.C. COULTON."

Examination of this letter revealed it to be both abusive and obscene. The writer cast aspersions on the wife of Senator MUSKIE, as well as the mother and father of the Senator. It likewise read, in part, as follows: "Somebody should fill you and the bastard harp KENNEDY full of lead (bullets)."

The letter was mailed in an envelope postmarked at Bryn Mawr, Pa., 19010, and dated February 4, 1972.

The letter and envelope in which it was contained were furnished to the FBI Laboratory for examinations. In subsequent reporting the envelope was identified as Q1 and the letter as Q2 for identity purposes.

Of additional interest to this investigation is the fact that Senator EDWARD KENNEDY, U.S. Senate, received a letter dated February 4, 1972, from one "F.L. TOGOE."

PH 9-3507

Examination of this letter revealed it to be both abusive and obscene. The writer cast aspersions on the wife of Senator EDWARD KENNEDY, as well as the mother and father of the Senator. It read, in part, as follows: "The thing to do is to annihilate, wipe out the Irish harps in Ireland, and fill KENNEDY full of lead." Also, "kill him and let the vultures eat him up."

This letter and envelope in which it was contained were likewise furnished to the FBI Laboratory for examinations. In subsequent reporting the envelope was identified as Q6 and the letter as Q7 for identity purposes.

The following page consists of a xerox reproduction of an FBI Laboratory report dated February 29, 1972, in connection with that correspondence directed to Senator EDWARD W. BROOKE under date of February 29, 1972, as earlier described:

By report of February 25, 1972, the FBI Identification Division reported "9 latent fingerprints of value developed on Q1 and Q2." This report is related to the Senator MUSKIE letter.

By communication of March 17, 1972, the FBI Identification Division reported "17 latent fingerprints and 1 latent impression developed on envelope and on the two-page letter. Impression is fingerprint or palm print." This communication is related to the Senator KENNEDY letter.

By report of March 2, 1972, the FBI Identification Division reported "No latent prints of value developed on specimens." This report related to the Senator BROOKE letter.

On February 25, 1972, following receipt of information concerning that letter received by Senator BROOKE as earlier identified, contact was made with Agent [redacted] U.S. Secret Service, Philadelphia, Pa. He was advised of details as then known to Philadelphia FBI.

b6
b7C

Earlier contacts had been made with Agent [redacted] in connection with the Senator MUSKIE letter.

b6
b7C

Agent [redacted] stated that he had learned through Philadelphia Police that the Philadelphia Police Commissioner had received two letters from one "G.C. CARLTON," whom it would appear is identical to "G.C. COULTON," the writer of the letter to Senator MUSKIE. He noted additional details could be obtained from Detective [redacted] Intelligence Unit, Philadelphia Police Department.

b6
b7C

On that date contact was made with Detective [redacted] who confirmed that information provided by Agent [redacted] The letter to Senator BROOKE was compared with the letters to the Police Commissioner, and in the opinion of those officers present, it was thought likely the writer was one and the same person.

b6
b7C

Detective [] stated a Sergeant [] Radnor Township Police Department, Radnor, Pa., had learned that Box 253, Wayne, Pa., is rented by one JESSIE M. SINCLAIR. It was noted that this address was used on those letters directed to the Police Commissioner from "G.C. CARLTON."

b6
b7C

Detective [] provided xerox copies of the letters received by Police Commissioner JOSEPH O'NEILL dated February 3 and 5, 1972. Both related to an alleged sister of the writer being given a traffic citation for going through a yellow light by Sergeant []. It referred to the sergeant in uncomplimentary terms.

b6
b7C

The letter of February 3, 1972, read, in part, as follows: "[] threatened her; he is not fit to be a member of the department. He is not fit as a garbage collector. He is another MUSOLINI. Somebody some dark night should fill him full of lead (bullets)."

b6
b7C

The letter of February 5, 1972, read, in part, as follows: "He is another MUSOLINI. Somebody some dark night should fill him full of lead (bullets)." In addition, it read, in part, in the following manner: "Keep this letter. Shove up [] ASS."

b6
b7C
b6
b7C

On March 1, 1972, Detective [] advised he, Sergeant [] of the Radnor Township Police Department, and Agent [] of U.S. Secret Service, had gone to the home of SINCLAIR on February 28, 1972. He said that the man who answered the door said his name was not SINCLAIR and furnished his name as G.C. CARLTON. This man denied writing letters to the Police Commissioner as well as denying having sent any letters to any U.S. Senator. This man was described by Detective [] as hostile and uncooperative. According to Detective [] SINCLAIR, also known as CARLTON, was taken to Radnor Township Police Department where he was held for a period of time on some form of local warrant. Detective [] stated Philadelphia Police have no further interest in SINCLAIR since having established his identity is sufficient for their needs and desires.

PH 9-3507

On March 3, 1972, contact was made with Inspector [redacted] Detective Bureau, Philadelphia Police Department, with a request he furnish the original letters sent to Police Commissioner O'NEILL by G.C. CARLTON to the FBI to be forwarded to the FBI Laboratory for comparison with the Senator BROOKE letter.

b6
b7C

On March 7, 1972, contact was made with Inspector [redacted] who had obtained authority for the release of the letters to the FBI in the interim. They were provided to Philadelphia FBI by Detective [redacted] at that time.

b6
b7C

On March 13, 1972, contact was made between Assistant U.S. Attorney [redacted] and Special Agent ROBERT M. WHOMSLEY. The Senator BROOKE letter was shown to [redacted] and details as then known of the person known as SINCLAIR were discussed. [redacted] expressed the opinion the letter did contain a prosecutable violation of the Federal Extortion Statute as regarding the statement: "We shall fill you full of lead before too long Nigger."

b6
b7C

[redacted] noted he would communicate with the Department of Justice for confirmation and would thereafter advise of the outcome.

b6
b7C

On March 17, 1972, [redacted] reported the Department was in accord with his opinion but he requested additional details concerning the person known as SINCLAIR before any definitive action would be taken.

b6
b7C

On March 20, 1972, complete details as then known and as related herein were discussed with Agent [redacted] U.S. Secret Service.

b6
b7C

On March 31, 1972, contact was made with Detective Sergeant [redacted] Radnor Township Police Department. At that time Sergeant [redacted] furnished photographs of JESSIE MILLER SINCLAIR and provided the following information:

b6
b7C

SINCLAIR resides at 416 St. David's Road, Wayne, Pa. As of February 10, 1971, he operated a yellow Plymouth Valiant bearing Pennsylvania license 8C4-752. SINCLAIR is the rentor of P.O. Box 253 in Wayne, Pa.

b6
b7C

On February 28, 1972, Sergeant [] accompanied Philadelphia Police Detective [] and U.S. Secret Service Agent [] to the residence of SINCLAIR. [] asked the man answering the door if he was JESSIE M. SINCLAIR at first refused to admit the law enforcement officers but did so when told of a warrant for his arrest was in possession of Sergeant [] SINCLAIR, also known as [] denied in the presence of these officers having written letters to Philadelphia Police Commissioner O'NEILL or to any U.S. Senator.

b6
b7C

SINCLAIR was thereafter taken to Radnor Township Police Department on a warrant charging him with assault and battery issued at Tredyffrin Township, Pa. Sergeant [] reported the charge involved an alleged attempt by SINCLAIR to run a man down with his automobile in a parking lot. The warrant was issued on the complaint of one []

b6
b7C

Sergeant [] reported SINCLAIR was later released that same date when contact with the Tredyffrin Township Police Department disclosed that [] was unwilling to appear as a witness against SINCLAIR.

b6

Sergeant [] reported that SINCLAIR stood mute most of the time in custody and refused to discuss anything whatsoever. He said SINCLAIR had earlier attempted without success to telephonically contact an attorney named [] at Chester, Pa. Result of examination:

It was concluded that the hand printing on Q9, Q10, and Q11 was prepared by the writer of the hand printing on the questioned documents previously submitted in connection with this case and described in the Laboratory as specimens Q1 through Q8.

A definite conclusion could not be reached as to whether the script handwriting on Q9 through Q13 was prepared by the writer of the hand printing on Q1 through Q8 because the script handwriting is not sufficiently comparable with the hand printing. However, some characteristics were noted in the writings to indicate that one person probably prepared all the questioned writings.

The script handwriting on Q9 through Q13 was searched in the appropriate sections of the Anonymous Letter File but no identification was made of the script handwriting on instant documents with the script handwriting on photographs from other cases, contained in the Anonymous Letter File.

Specimens Q9 through Q13 are returned herewith. Photographs are retained.
